could not understand our Shirt Waist order for mid-winter, so the filling was delayed a steamer. If it had been for furs we would have had the goods. Now they are here—a hundred different styles everyone prettier than its mate.

No telling how many dozen; enough for an ordinary store, but half of them may be gone by noon today. Twenty cases opened on Friday.

Other goods for ladies were marked this morning and are ready for your inspection; a better lot was never shown, nor better prices asked—for you. New goods there, the latest ideas of Parisian and English makers.

Organdie Alix, Valencia, Cotton Jaconet, Parisian Organdie, Swiss Organdies, Cotton Novelties, Pineapple Grenadine, some people call them, that are beautiful effects. As firm as Silk Grenadines and pretty—cotton prettiness.

Read of the other goods, new today. Swiss Book Muslin, White Cotton Pique, (plain or figured); Fancy Figured Ribbon, Tafeta Ribbons, Yoking Embroidery, Striped Tucking, Awning Cloth, Figured Dimity 6-8-12 yards for a dollar; Tarleton all shades, Linen Torchon Lace, Valenciennes Lace Puggarees, etc.

**A New Decorative Material.**

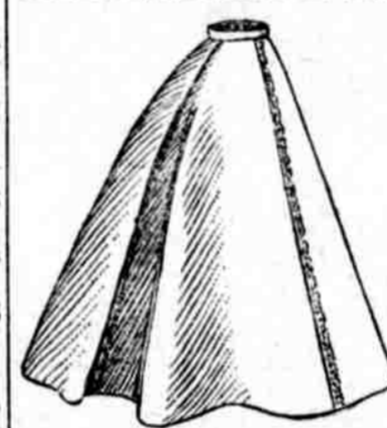

Bedticking for drapery and upholstery purposes has recently been launched upon the market. It is a decided success. No one would dream of the lowly origin of the fabric thus presented. Of course the salesmen do not speak of it as bedticking, but describe it as an "art drapery" or an "art ticking." One shopman has named a striped pattern the "Bedonin"—not a bad pun on its origin. The material is colored and designed very much after the order of chintzes and cretonnes, which it closely resembles. It wears like iron, and as it retails for about 10 cents a yard, it is one of the most economical and satisfactory fabrics for all sorts of upholstery purposes. In calling attention to the foregoing, The Puritan also tells that these tickings will soon appear in the various college colors, so that a Yale, Harvard or Princeton man may have things adorned in the hues dear to his heart.

**Shredded Cabbage With Cream Sauce.**

Take a cabbage, wash it and cut off the outside leaves, leaving only the tender part. With a sharp knife slice the cabbage into thin shreds, put in a dish and cover with a sauce made in this way: Put in a saucepan an egg, one-half cupful of vinegar, 2 even tablespoonfuls of granulated sugar, a small teaspoonful of mixed mustard, 2 ounces of butter and a pinch of salt. Stir constantly this mixture until it thickens. Do not let it boil. This cabbage salad is very attractive served in this way: Cut off the outside leaves of another cabbage, scoop out the middle until only a thin shell of cabbage remains, fill the hole with the shredded cabbage and sauce and put sprays of parsley on top.—Good House-keeping.

**New Dress Skirt.**

The new bell shaped skirt is cut with a narrow front piece, and then the sel-vage is used for the side seam. There is besides only one seam in the center

 of the back, but the skirt is so cut as to leave the sides much flatter than they have been, while the back has two box plaits. Only a narrow stiffening is required in the hem.

HONOLULU, April 21, 1896.  
 Mr. C. W. MACFARLANE:—It affords me pleasure to recommend, to any one whose hair is falling out, the use of DR. POTTIE'S HAIR OIL. My hair was coming out at such a rate as led me to believe that I would soon become bald. After using the oil for five weeks this ceased entirely, none whatever is now falling out. I consider it the best and only worthy remedy for this trouble and also recommend it as a stimulant to new growth.  
 Yours truly, J. B. DANIELS.
